This Pricing Schedule forms part of your Energy Contract and sets out the energy prices applicable to your premises (**your rates**). We'll notify you in writing before any changes to your rates take effect.

Our greentricity program allows you to have 100% of your electricity usage offset (matched) with energy from accredited renewable sources. The cost of greentricity is the relevant Australian Power & Gas Price shown on the left, plus the relevant Green Premium shown on the right. The Green Premium is an additional weekly charge on your Energy Account.

Schedule of fees and charges

Separate to your rates (shown on the other side of this Pricing Schedule), other fees and charges may apply to you.

Connection charge: You are liable for any charges we incur from your Energy Distributor for providing connection services to your premises, including any reconnection fees.

Disconnection charge: If your premises is disconnected or cancelled under your Energy Contract, you are liable for any charges we incur from your Energy Distributor for the discontinuance of connection services.

Cancellation fee: If your Energy Contract has a fixed term and you cancel it before the expiry date, you may be charged a cancellation fee as set out in this Pricing Schedule.

Late payment fee: If you do not pay your Energy Account by the due date and we have not agreed an alternative payment arrangement with you (for example, instalment plan), you may be charged a late payment fee of \$10, including GST. If your payment is more than 30 days late, you may also be charged interest at a rate equal to the rate prescribed under section 101 of the *Civil Procedure Act 2005* (NSW) for payment of interest on a judgement debt. Interest is calculated daily until the date of payment and capitalised on the first business day of each month.

Special meter reading charges: You must pay a special meter reading charge if you request a meter reading at a time other than as scheduled by your Energy Distributor in the ordinary course of the meter reading cycle, or if your Energy Distributor charges us for a special meter reading as a result of your failure to provide access to your meter.

Debt recovery fee: If you do not pay your Energy Account on time, we may require you to pay our costs for recovering the outstanding amount from you, including debt collection fees.

Feed in tariff: For information about feed in tariffs, please visit www.australianpowerandgas.com.au.

Solar Bonus Scheme: You will receive 60 cents (including GST) per kWh for energy fed back into the grid from eligible generators registered with your Energy Distributor on or before 27 October 2010. For eligible generators registered between 27 October 2010 and 29 April 2011, the Solar Bonus Scheme will pay 20 cents (including GST) per kWh.

Other retail fees and charges: We may incur other costs relating to the sale of energy to you, including but not limited to charges or taxes imposed on us from time to time by the government, Energy Distributors, other energy industry participants, or our service providers. Consistent with Energy Laws, we may require you to pay other retail fees and charges relating to these costs, to the extent that they are fair and reasonable. You may also be required to pay amounts relating to any costs, charges or taxes incurred directly or indirectly by us in connection with the introduction of, or compliance with, a carbon pollution reduction scheme or other emissions trading or reduction scheme.
