This Pricing Schedule forms part of your Energy Contract and sets out the energy prices applicable to your premises (your rates).
We will notify you in writing before any changes to your rates take effect.

Our greentricity program offers you the option to have 100% of your electricity usage off set (matched) with energy from accredited renewable sources. The cost of greentricity is the relevant Australian Power & Gas Price shown on the left, plus the relevant Green Premium shown on the right. The Green Premium is an additional weekly charge on your Energy Account.

Schedule of fees and charges

Separate to your rates (shown on the other side of this Price Fact Sheet), other fees and charges may apply to you.

Connection charges:	If we incur charges or increased charges from the network operator for connection services for your premises, the liability for these charges will be passed on to you.
Disconnection charges:	If you provide us with less than 28 days' notice to discontinue supply of energy to your premises, you will be liable for all charges for the energy supplied and any damages for connection services. You will be liable for these charges until the end of 72 hours after you provide us with notice to discontinue your energy supply, or the supply is discontinued or transferred, whichever happens first. You will also be liable for all charges payable to your network operator arising from the discontinuance of supply to your premises.
Special meter reading charges:	You must pay a special meter reading charge if you request a meter reading at a time other than as scheduled by your network operator in the ordinary course of the meter reading cycle, or if your network operator charges us for a special meter reading as a result of your failure to provide access to your meter.
Debt recovery fee:	If you do not pay your Energy Account on time, we may require you to pay our costs for recovering the outstanding amount from you, including debt collection fees.
Paper bill fee:	We are currently working on introducing an option for you to receive your Energy Account by email. If you have provided us with a valid email address by the time this is introduced, we will email your Energy Account to you free of charge. If you request a paper bill or you do not provide us with a valid email address, we will send your Energy Account to you at your nominated postal address and you will be charged a fee (TBA) for each paper Energy Account sent to you. No paper bill fees will be introduced until email billing becomes available.
Feed in tariff:	For information about feed in tariffs please refer to www.australianpowerandgas.com.au . Other costs and charges may be incurred by us relating to the sale of energy to you, including but not limited to charges or taxes imposed on us from time to time by the government, energy distributors, other industry participants, or our service providers. Consistent with the law, we may require you to pay an amount(s) relating to these other costs and charges.
Additional charges:	You may also be required to pay amounts relating to any costs, charges or taxes incurred directly or indirectly by us in connection with the introduction of, or compliance with, a carbon pollution reduction scheme or other emissions trading or reduction scheme.
